

# Want great Web graphics and animations? You need Paint Shop Pro™ 7!

Save \$30  
on  
Paint Shop Pro 7!

## Create and optimize Web graphics with *the* image-editing choice among NetObjects Fusion MX® users!

Paint Shop Pro™ 7 delivers a powerhouse of photo editing, painting, illustration, and Web tools wrapped in a streamlined, intuitive interface. No matter what your interest—digital photography, scanning and sharing family photos, creating business graphics, or designing Web graphics and animations—Paint Shop Pro™ 7 has the power to make you look better than ever.

### For Digital Photographers

- Automatically balance color, adjust contrast, and enhance saturation for professional results
- Easily restore cracked or torn photos with the Scratch Removal Tool
- Instantly remove noise, scratches, dust, or specks
- Bring out image details without losing information with the Adjustable Histogram
- New picture frames
- More digital camera support

### For Web Developers

- Create buttons and banners with vector drawing tools
- Speed up the downloading of your Web graphics with image slicing
- Create “hot-spots” and embed URL links with new image mapping features
- Create visual mouse-overs with image rollover effects
- Preview graphics in up to 3 different Web browsers
- Optimize your graphics with easy-to-use JPG/GIF/PNG Optimizer

### For Business/Home Users

- Create shapes, lines, and text using solids, gradients, textures, and patterns—all in one step
- Gain precision and control with Snap-to Grids and Guides
- Make a logo or a shape once and use it over and over again with the Preset Shapes tool
- Spark your imagination with many new special effects including: Brush Strokes, Enamel, Fur, Sunburst, Pencil, and more

Buy Paint Shop Pro™ 7 today and get a \$30 rebate!
